Help protect your home from wildfire with help from the
Highlands and Pinewood Fire District Fuels Reduction Program

Bear Jaw Interagency Fires & Fuels is helping residents and property owners create defensible space by providing free pickup and disposal for branches, logs, small trees, leaves and pine needles. If you clear woody vegetation from around your home and stack it in a slash pile, then we'll chip it or haul it away at no cost. **We are only accepting up to fifteen (15) clear bags of green waste (pine needles and leaves) per property.** Thanks to Coconino County Public Works for accepting all this woody vegetation for free at the Willard Springs Transfer Site!

Green Waste Pickup Schedule

Please have all items available along the roadside by 7:30 a.m. on Mon., April 29!

- The crews will begin collection of bags at 8:00 a.m. on Monday, April 29, 2024.
